*Re: Request to Review Financial Records*

Dear Mr. Alexander:

Thank you for your letter dated April 6, 2009 requesting that I identify my purpose in requesting that CALI permit me to inspect the financial records of the Corporations as authorized in the provisions of the California Corporations Code §8310 et seq.

As an current member of the Association I am requesting access to these records to assure myself that the many rumors of financial mismanagement, fraud and conflicts of interest by certain CALI board members are unfounded.

Your anticipated cooperation is appreciated.

Sincerely,

Michael G Kessler
